Completion of Services

The following is a completion of services signed this 5 day of MAY 2021.

As outlined by the Proposal, Mid-Plains Waterproofing has met the agreed terms at the following address: 2385 31RD. TWINN KS.

On behalf of Mid-Plains, its employees and myself, I would like to personally thank you for your patronage and your trust. The guarantee of the work performed as outlined by the Proposal is 20 years and is warranted by my signature only. If a leak occurs in an area of agreed upon waterproofing within that time frame, Mid-Plains will return to repair the leak at no additional cost. In the event of a home sale, the guarantee is transferable.

The amount of \$ 6200⁰⁰ is now due in full. Please make check payable to:

MID-PLAINS WATERPROOFING Check # 117

- IMPORTANT -

We at Mid-Plains will be the first to admit we are not perfect. We have taken extra care and time to make sure you are sealed. However, please allow ample time or a substantial rain before re-finishing your basement. This will save a lot of headaches if a leak remains.

Thank you

John Bredvick
